

MASSAGE THERAPY *at Healthworks*

My name is **Beth Mann**, I am 53 years old, and have one daughter. I have lived in El Dorado for most of my life.

I went to massage therapy school in Fayetteville at Blue Cliff College and graduated in 2011. I worked at the Spa on Main for 6 years before opening my own shop in 2019.

I am looking forward to working at HealthWorks and meeting everyone. I do think this is a great opportunity to advance my career.
