

# POLICY UPDATES

## SAFETY COMES FIRST

To ensure the safety of our HFC staff, members, and guests, individuals entering this facility will be required to follow these personal safety measures:

- Temperature is taken and you may be refused admittance if running a fever of 100.4 degrees or more.
- Masks must be worn except during strenuous exercise. Please bring your own mask.
- Hand sanitizers and disinfectants are available throughout the facility for your use.

## FOCUS ON CLEANLINESS

We are adhering to rigorous cleaning and sanitation standards in our facility:

- Adopted our Clorox® Total 360® System cleaning schedule.
- Help us to stop the spread of germs by wiping down all equipment before and after use and washing your hands often.

## EXPECT SOCIAL DISTANCING

All members will be asked to practice social distancing while inside HFC. In some cases, the availability of equipment, features, and spaces will be limited to ensure members are able to maintain the required 12 FEET in group fitness classes and our fitness floor. Social distancing of 6 FEET is required in all other areas of the facility.

## THANK YOU FOR YOUR COOPERATION

We want to keep our doors open for as many members as possible. Doing so means taking safety seriously. Any member who fails to comply with personal safety, mask, and social distancing policies may be asked to leave.
