WELCOME!

HealthWorks is pleased to provide you and your child with our **KidWorks** facilities. Our trained and caring staff will do everything possible to make your child feel comfortable and happy while you are visiting HFC. We ask that you carefully read this information and follow all guidelines in order for us to provide a secure and healthy environment.

We offer qualified and caring staffs who are CPR and First Aid certified to ensure the safety of your child during their visit.

WHO CAN USE KIDWORKS?

KidWorks is available to all members and guests. If your child is an enrolled member of HFC, there will be no additional charge for **KidWorks**. The parent or legal guardian must remain on the premises at all times. Information sheets must be filled out before the child's visit.

KidWorks strives to be a happy and enjoyable place for all children. We have a comfortable and bright play area and a convenient restroom available for your child.

BEFORE DROP-OFF

- My child is wearing shoes and is dressed for play, crafts, etc.
- My child is in a clean diaper or has used the restroom.
- My child is fed.
- All personal items are labeled with my child's name.
- I have brought all items needed to care for my child (i.e. plenty of diapers, wipes, and prepared bottles).

CHECK IN

For your child's safety, a parent/guardian must sign child in and out of **KidWorks**. A signed enrollment form must be on file for each child. The parent/guardian who signs the child in must also sign the child out, unless prior arrangements have been made with the **KidWorks** staff. No one under the age of 18 is allowed to check children in and out of **KidWorks**.

A pager will be issued to parent or legal guardian when child is dropped off. It must be returned when picking up child.

TIME LIMITS

KidWorks is not a licensed childcare center. Consequently, state guidelines restrict your child's usage of **KidWorks** to no more than 2 hours total per day.

OUR GUIDELINES:

- * Age for admittance is 3 months to 9 years of age.
- * The parent or legal guardian must remain on the premises at all times. Running around the block is allowed.
- * Please inform the child care attendant if attending the outside class.
- * Children who have in the past 24 hours displayed symptoms of illness which may include: symptoms of a cold; fever of 100.4 degrees or greater; constant cough; diarrhea; a rash or chicken pox or any other contagious outbreak (child may not return until 14 days after initial outbreak), are not eligible for **KidWorks** care. If your child is unable to attend school due to illness, they are unable to be in **KidWorks**.
- * Due to the fact that some children have specific food allergies, no outside food will be allowed in **KidWorks**. The only exception is bottle fed babies.
- * **KidWorks** strives to be a happy and enjoyable place for all children. If at any time your child cries for 5 minutes, you will be paged to **KidWorks**.
- * **KidWorks** offers a wide variety of clean, fun, and educational toys for your child to enjoy. We encourage you to not bring toys from home as we cannot be held responsible for lost or broken toys.
- * Electronics/handheld devices are allowed. Please label with child's name. **KidWorks** will not be held responsible for damaged, lost, or stolen devices.
- * We ask that your child respect the child care providers on duty and the other children staying in **KidWorks**. If we do see a "behavior" issue, we may issue a verbal warning and/or ask your child to sit quietly for a few minutes. If the behavior persists, we will page you for assistance. If any aggressive and violent behavior is displayed, we have the authority to pull your child out of **KidWorks** for a prolonged period of time.
- * **KidWorks** reserve the right to refuse childcare services to members and guests.
- * **KidWorks** reserves the right to close 15 minutes early if no children are present.

See healthworksfitnesscenter.com for additional information about our incident procedures and emergency preparedness plan.
