CLASS DESCRIPTIONS

AQUACISE Enjoy a low-impact water-based class that combines muscular endurance and aerobic conditioning. Experience is not required but a fun attitude is! Perfect for our members with arthritis or fibromyalgia!

AQUA BARRE' All the ballet/yoga/Pilates choreography that you love taught in the warm water therapy pool. Aqua Barre' is a fun way to get a resistance-based workout in while avoiding stress on the joints.

BARRE' Full-body conditioning class. The trifecta low-impact workout incorporates lower, upper, and core exercises with a focus on flexibility, balance, stability, and strength. Barre' is not a cardio focused workout but can be depending on the instructor's approach.

LES MILLS BODYPUMP **BODYPUMP™** is a barbell workout for anyone looking to get lean, toned, and fit—fast. Using light to moderate weights with lots of repetition that gives you a total body workout. It will burn up to 540 calories.

LES MILLS BODYPUMP >>> EXPRESS The 40-minute express class of the original barbell class above.

BOOTCAMP Outdoor Boot Camp utilizes effective physical/resiliency training techniques practiced by military forces. Class participants use proper form and safety, executing fitness programs, circuit training, some obstacle courses and partner assisted exercises.

LES MILLS CORE 30-minutes of Les Mills™ CORE is all you'll need to give your core a challenging workout that features a mix of isolation exercises (like crunches or leg extensions) that target specific muscles and integrated moves that use two or more muscle groups together.

GROOVE Groove is designed to move your body in the way music makes you feel. When you do it your way, it can never be wrong. So tune in, be kind to yourself, be gentle, and find your groove!

HEALING in MOTION Slow, intentional movement to help with performing daily functional tasks such as: walking, sitting to standing, stair climbing, bending, twisting, reaching, etc. HIM protects the joints with each movement and works on maintaining correct posture, range of motion, balance, stability, and flexibility. We will also exercise our brains and focus on breathing and mindfulness. Taught in the warm water therapy pool.

MAT PILATES Mat-based Pilates class focuses on strength, stability, posture, proper breath control, and flexibility. Each class will work to balance all muscle groups' strength and flexibility, with an emphasis on challenging the core muscles with each movement.

PILATES REFORMER Pilates Reformer Combines the traditional principles and movements of Mat Pilates using the reformer machine to accelerate the process of stretching, strengthening, body alignment, and increased core strength. **Fee-based class.**

LES MILLS RPM **RPM™** is a group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 675 calories in a session. With great music pumping and the group spinning as one, your instructor takes you on a journey of hill climbs, sprints, and flat riding.

SCULPT Get Sculpted! Join us for an exciting, high-energy 45-minute Sculpt Group Fitness class that will tone and transform your body! Whether you're a beginner or a seasoned fitness enthusiast, this class combines resistance training, bodyweight exercises, and upbeat music to help you build strength, burn fat, and feel amazing.

Senior Strength & Yoga A 30-minute workout designed for GenX and Baby Boomers. Light to moderate weights and resistance bands are used to strengthen and tone your entire body. Followed immediately by 30 minutes of restorative Yoga to improve strength, balance, flexibility, and clarity of mind.

SOO BAHK DO Soo Bahk Do is an awesome, martial art effective in stopping inner & outer conflict, for both Adults and Children ages 8 and up. Sign up at the Front Desk. Registration is required and taken anytime. **Fee-based class.**

water motion **Water in Motion®** provides a low-impact, high-energy challenge for participants of all ages, skills, and fitness levels. A dynamic cardiovascular full-body workout. Equivalent to land-based intensity with fantastic sing-along music, but without the impact on your joints.

XTS HealthWorks' premier large group training program. You will feel the difference using compound exercises to recruit the maximum amount of muscle for every exercise. This style of exercise creates the after-burn effect, XPLoding the highest number of calories. XTS delivers a safe, fun, and effective personal training in a "TEAM" setting. **Fee-based class.**

YOGA YOGA as exercise is a physical activity consisting mainly of postures (asanas), often connected by flowing sequences (vinyasas), sometimes accompanied by rhythmic breathing (pranayama), and ending with relaxation lying down (sav asana) or meditation.
