

FACIAL MASK POLICY

For the safety and well-being of our fellow members, guests and HFC staff, at this time, we require all patrons within the facility to wear a mask in all common areas.

Facial masks must be worn:

- Entering/Exiting the Facility
- In the Lobby, Front Desk, and Juice Bar area
- In hallways, stairwells, and locker rooms
- On the Pool Deck
- Passing through to designated areas to work out

Masks are **NOT** required to be worn while actively exercising.

Thank you for your cooperation and compliance.
